

User stories for a GT Blog Website

- ① As a user, I want to see the information about the GT Blog so I can understand the app's purposes
- ② As a user, I want to register an account using my GT username
- ③ As a user, I want to log in so that I can access my account's data
- ④ As a user, I want to see the list of blogs other students made with categorization keywords such as "sunset", "lunch", "CULC", ...
- ⑤ As a user, I want to search blogs based on categorization keyword, author's name, blog's title, date, ...
- ⑥ As a user, I want to reset my password so that I can regain access to my account if I forget it
- ⑦ As a user, I want to read what other comments on a blog
- ⑧ As a user, I want to make comments on others' blogs
- ⑨ As a user, I want to make my blogs private so only myself can read them
- ⑩ As a user, I want to insert images into my blogs
- ⑪ As a user, I want to change my profile picture

- ⑫ As a user, I want to create "linkage" between blogs, using in situation where I want to continue a left over conversation from last blog for example
- ⑬ As a user, I want to insert music into my blog so I can talk about it
- ⑭ As a user, I want a personal page where I can arrange ^{my blogs} ✓, decorate (change background color, drop images, ...) , where only I can see.
- ⑮ As a user, I want to see other's personal page and blogs in default mode
